

Nino's is synonymous with a visit to Victor Harbor. With over 40 years in this fantastic seaside location, customers who remember dining with us as children are now bringing their own children and grandchildren! We regularly see customers from interstate and overseas each time they visit. Originally named after local cycling identity Nino Solari, Simon and Kirsten Pitman have developed and grown Nino's to be a busy and well loved part of the town. We can proudly say we are the best dining experience on the Fleurieu serving in excess of 250,000 customers a year. Our menu is developed seasonally and uses the best in locally grown produce. High quality ingredients that is enhanced with our strong culture of making from scratch where possible, and using the best available when we can't.

The real secret of Nino's popularity is our award winning pizzas. Nino's chefs have won awards in the Best of The Best Pizza Challenge Australia, the Australian Good Food Guide Best Italian Restaurant for many years, Business Victor Harbor Best Overall Business award 2019, and Restaurant and Catering Best Casual Italian Restaurant in South Australia 2019. These same chefs are serving our same amazing food every week, right here!

Our Mission: To create the ultimate casual dining experience by offering the highest quality food served in a relaxed and comfortable environment by our caring and professional team.

Nino's can be found at the southern end of Ocean Street in Victor Harbor. Easy walking distance to Granite Island Causeway, Whale Centre, Horse Drawn Tram & Steam Ranger Heritage Railway.

We are proud to serve you the best casual meals and pizza from midday, 7 days a week and are open for great coffee from 8am.
